

EMPLOYMENT OPPORTUNITY
City of Port Alberni – GIS Technician

The City of Port Alberni is accepting applications from qualified applicants for a GIS Technician. This is a technical position under the direction of the City Engineer. The position supports the ongoing maintenance and dissemination of infrastructure data and maps in the Geographic Information System (GIS) and related infrastructure databases. Primary duties will include data management and creation and provision of supportive mapping data and analysis.

Applicants must have Grade 12, plus a 2 year diploma of Technology in Geographic Information Systems technology, Computer Sciences or equivalent, completion of a training course in AutoCAD Civil 3D and ArcGIS, 2 years' experience in developing and maintaining GIS data and other GIS output products in a municipal setting and a valid BC Driver's License Class 5.

Applicants will be required to demonstrate and apply thorough knowledge and understanding of GIS and municipal infrastructure.

Rate of pay is per CUPE, Local 118, Collective Agreement.

Resumes with a covering letter **with** proof of required qualifications and references will be received until 4:30 p.m Monday, June 8, 2015 by Theresa Kingston, Director of Corporate Services at City Hall, 4850 Argyle Street, Port Alberni, B.C. V9Y 1V8 or humanresources_resumes@portalberni.ca. **Please indicate which position you are applying for.**

We regret that only those applicants selected for interview will be contacted.
