

CITY OF PORT ALBERNI TEMPORARY USE PERMIT GUIDELINES

Land use in Port Alberni is regulated through a combination of the **Official Community Plan Bylaw 4602** and **Zoning Bylaw 5105**. In general, the Official Community Plan provides broad policy guidelines around how land is to be used, while the Zoning Bylaw contains specific regulations for development and permitted activities.

A Temporary Use Permit (TUP) is an approval from Council for a temporary land use that does not conform to the Zoning Bylaw. A TUP may be issued for up to 3 years and can be renewed once by Council for an additional 3 years. TUP's may only be considered for lands designated Industrial or Commercial in Schedule A (Land Use Map) of the Official Community Plan. A TUP may do one or more of the following:

- Allow a use not permitted in the Zoning Bylaw;
- Specify conditions under which the temporary use may be carried on;
- Allow and regulate the construction of buildings or structures in respect of the use for which the permit is issued.

For most applications, the process is as listed below:

7. Statutory public notification is given in accordance with the *Local Government Act*.

9. City Council considers the application and may issue (with or without conditions) or deny the permit, or may request further information.
10. If the Temporary Use Permit is approved and all conditions are satisfied, the applicant is notified and the Permit is registered on the Land Title.
11. The applicant to whom the TUP has been issued may apply to have the permit renewed once for an additional three years. The renewal should be applied for and granted within the term of the original TUP.
