Sept. 24, 2020

4th Avenue Utility, Sidewalk and Asphalt Replacement

To address aging infrastructure, accommodate future growth and improve water quality, sanitary sewer and stormwater collection services in your neighbourhood, the City of Port Alberni is upgrading its underground infrastructure in your area.

Upcoming Construction

City crews will mobilize at Bruce Street and 4th Avenue to begin sewer works. Beginning Monday, September 28, 2020, through Wednesday, September 30, 2020, Bruce Street between 3rd Avenue and 5th Avenue will remain closed.

Work Hours

Work hours will generally be Monday to Friday from 7 a.m. to 5 p.m.

Noise and Odour

There may be loud noise associated with this project due to heavy equipment and powered tools. Crews will attempt, wherever practical, to reduce these impacts on area residents.

Traffic and Safety

As a result of this work, there will be traffic impacts in the neighbourhood. Traffic control personnel will be on site to direct vehicles, pedestrians and cyclists through affected areas safely. Signage will also be posted advising drivers to use caution. Please be sure to follow all posted signs and directions from traffic control personnel.

Utility Interruptions

There may be times when your water service is temporarily impacted as a result of this work. For planned interruptions, advance notice will be provided.

Your garbage and recycling services will not be impacted as a result of this project.

Parking and Access

Driveway access to certain homes may be temporarily blocked as work progresses. Advance notice will be provided to those affected so alternate parking arrangements can be made. Street parking in certain areas will also be impacted. Please be sure to adhere to posted parking signs to avoid inconvenience. Access to neighbouring homes will be maintained at all times.

If you have questions about this project or have special access requirements, please contact the Public Works Yard at 250-720-2840.

We thank you in advance for your patience and understanding.
