Signature of Applicant

Permit Issued by: _____
City Engineer

THIS PERMIT IS NOT TRANSFERABLE

Additional Conditions:

Underground Utilities

The City of Port Alberni does not guarantee the accuracy of any record drawings issued or approved by the City with respect to the location of or omission of any buried utilities. The Contractor should satisfy himself as to the location of all underground utilities prior to commencing excavation work. The Contractor is responsible for the cost of repairing to the satisfaction of the City Engineer any damage to City Utilities or Infrastructure caused during construction.

Underground Utilities Other Than City

The following other utilities have buried infrastructure within the City. Contractors are responsible for contacting the appropriate utility for a utility location.

BC One Call - 1-800-474-6886

Traffic Control

Contractors performing work on City streets shall use proper traffic control and traffic safety procedures as may be required by the City Engineer.

City Inspection

Contractors performing work on City streets shall notify the City Engineering Department 48 hours prior to commencement of work in order that the City may arrange to have the work inspected for compliance to City specifications. (Phone 250-720-2830)

Liability Waiver

In consideration of granting this permit the undersigned contractor does hereby release and forever discharge the City from all claims and demands whatsoever and from all liability for injury or damages arising directly or indirectly from the permitted work.

Time & Hours of Work

All work performed on City streets shall be on normal working days (Monday to Friday) between the hours of 8:00 a.m. to 4:30 p.m. unless otherwise approved by the City Engineer.
